

"The BCHD MET program for Arthritis and Total Joint Replacement was very informative and enjoyable. The trainers were engaging and very conscientious of ensuring that we were performing the exercises properly depending on our individual capabilities. I highly recommend this program."

### CHF IS THE ONLY CERTIFIED MEDICAL FITNESS FACILITY IN CALIFORNIA

To achieve this certification from the Medical Fitness Association, CHF voluntarily completed a rigorous process to become one of a select group that is establishing a new standard of excellence in health, wellness and chronic disease management. As a Medical Fitness Facility, CHF is overseen by a board comprised of physicians and health care professionals and offers evidence-based exercise programming that meets medical industry standards.

### **Medically-based Exercise Programming:**

- Pre-habilitation for knee and hip replacement surgeries
- Medical exercise training for diabetes and hypertension
- Medical exercise training for low back pain
- Medical exercise training for women's fitness and skeletal health
- Medical exercise training for arthritis and total joint replacement
- Cardiac Exercise Program

### **ABOUT THE CENTER FOR HEALTH & FITNESS**

The Beach Cities Health District's Center for Health & Fitness (CHF) is the most comprehensive fitness center in the South Bay. Whether you're devoted to exercise, relatively sedentary or have special needs, our personal trainers will design a program to help you achieve your goals. Unlike most fitness centers, our programming is aligned with Medical Fitness Association (MFA) standards of excellence, with personal training staff who meet MFA professional certification requirements. CHF also offers Medical Exercise Specialists—the only fitness center in the beach cities to do so—who are trained and educated to work with member's doctors or physical therapists to ensure the highest quality, effective exercise program.

CHF is bridging healthcare and fitness by offering Medical Exercise Training (MET) classes. The MET program is a six-week series for those with a chronic condition who seek guidance from a medical exercise specialist. Each session is two hours consisting of an educational lecture followed by a small group training led by a medical exercise specialist. This program is designed to be delivered in small group settings and provides participants with solutions needed to manage these conditions.\*

### For just \$37/week, participants will receive:

- 6 one-hour educational lectures and small group training sessions led by a medical exercise specialist
- Program booklet with PowerPoint slides, handouts and exercise guidelines
- Access to 90+ group exercise classes
- Access to cardiovascular and strength training machines
- Lecture from CHF's Registered Dietician

### CLASSES MEET SELECT FRIDAYS FROM 11 A.M. - 1 P.M. Total Cost of MET: \$222 (\$37/week)

### **INSTALLMENT PAYMENTS AVAILABLE!**

# **ARTHRITIS/TOTAL JOINT REPLACEMENT**

### **Objectives**

- Learn how exercise impacts health

- Learn how to create a safe, self-paced exercise program

### **MEDICAL EXERCISE TRAINING**

This program has been endorsed by **Beach Cities Health District's Chief** Medical Advisor, Dr. William Kim.

\*Physician approval may be needed prior to participating in a MET class series or before beginning an exercise program.
